ADM Stansfield Turner
Director of Central Intelligence
Washington, D.C. 20505

Dear Admiral Turner,

Thank you for your very helpful letter concerning the Rhodes Scholarship Program. I realize that your schedule is a busy one, and appreciate the time and effort you spent in answering my questions. I also feel that win, lose, or draw, the competition will be a worthwhile venture which I hope will bring honor to the Naval Academy and the country I serve.

Thank you again.

Very respectfully,

STAT
